St-Lazare Carriage Driving Club

SUMMER 2019

A word from the President

The SLCDC will turn 30 in 2020. Over these years, there were many events organized by the different executive committees which passed by. The basis of these events come from the members desires through polls, reflections and a desire to make horse driving approachable by all. This year, the Club is aiming at people who are curious about friendly competitions. We have planned days to practice obstacle cones, cross-country and reinsmanship, to eventually compete in our Pleasure Driving Show. I look forward to seeing all the challenge lovers at the driving grounds !
