St-Lazare Carriage Driving Club

Winter 2022

A word from the President

We live in crazy times! Great changes begin in the face of this unprecedented situation when the simple fact of catching a cold puts us out of society. You remember the annual flu that everyone caught, carried during gatherings or contacts with children, vectors of viruses. Now, we no longer have the flu, we have this COVID king and master of our economy, our society and our way of life.

Like a magnet, there are positives and negatives. The positive is the return to a slower way of life for some, the chance to spend more time confined with our horses, so to take care of them and to be able to practice driving. The negative is not being able to gather for competitions, recreational drives or training and information meetings.

The St-Lazare Carriage Club has been dormant since the restrictions began; we had planned activities in 2021. Government decisions in sawtooth have deprived us of this. With the beginning of 2022 being what it is, we only have to hope that we will get back from the bottom of the barrel and that we can revive the activities we all love to do.

Your executive committee will work to plan activities that will continue to promote horse driving and bring participants together. Do we wish ourselves a happy new year that will be geared towards a return to normal!

Online benefit auction for the benefit of affiliated associations and clubs

2022 Edition

Cheval Québec is proud to organize an online benefit auction whose proceeds will be donated to participating affiliated equestrian associations and clubs, in order to support them in their activities.

You can participate in this online fundraising auction by donating one or more prizes (object, service, etc.) or by betting. It is also an opportunity to (re)discover the various associations and clubs that make up the Quebec equestrian community!*

Proceeds from the online benefit auction will be entirely donated to Cheval Québec's affiliated equestrian associations and clubs.

Support Quebec's associative life by participating in this online fundraising auction!

DISCOVER HOW THE BENEFIT AUCTION WORKS

STEP 1 OFFER A LOT FOR THE PROFIT-AUCTION

From December 15th, 2021, until February 1st 2022

Should you wish to offer a lot* to the profit-auction online, simply fill out the form (link available in French in this document):

[Encan Bénéfice 2022 \(smartsheet.com\)](https://smartsheet.com)

In giving the lot, the donor undertakes to send it to the buyer (by post or by hand).

Useful information for donors:

- ✦ You can offer as many lots as you want
- ✦ Do not hesitate to integrate a beautiful photo of your lot!
- ✦ The minimum starting price for the lots offered is \$25
- ✦ You can decide to which association/club the income from the sale of your lot will be donated, or leave it to the free choice of the buyer
- ✦ Lot information must be received by February 1, 2022

** No lot whose sale is prohibited or regulated according to the legislation in force (e.g. bottle of alcohol) will be accepted as a lot of the benefit auction (www.racj.gouv.qc.ca).*

STEP 2 BET ON A LOT

To bet, write a comment under the publication of the lot.

- ✦ **Auction opens:** Tuesday, February 15 at midnight
- ✦ **Auction closes:** Tuesday 01 March at 7am pm.

- ✦ By betting, the buyer agrees to pay the lot within seven (7) days of the end of the benefit auction
- ✦ Cheval Québec is the intermediary between donor and buyer but is not responsible for withdrawals. In case of non-payment, the prize goes to the next person who made the highest bet.

STEP 3 COLLECT/DELIVER YOUR LOT

After the deadline, the person who offered the highest amount wins the prize.

To pay for your prize online:

The buyer is invited to pay for his lot via Interac e-Transfer or cheque.

- ☐ Payment by bank transfer sent to comptabilite@cheval.quebec **The response of the transfer must be Cheval**
- ☐ **You must write the number of the lot for which you pay in the section Raison**
- ☐ Payment confirmation by e-mail

Once payment is received, Cheval Québec connects the donor and the buyer. Depending on the situation, the prize won could be:

- ✓ delivered to the buyer (at his expense)
- ✓ hand-delivered
- ✓ given to the buyer according to any agreement with the donor

The proceeds from the online benefit auction are then entirely donated to equestrian associations and clubs affiliated with Cheval Québec!
